Aaron,

Rick is out this afternoon, but I am sure he will be able to get something to you tomorrow. We have to do this whenever we request an aerial, so he knows what you need.

Is tomorrow ok?

Brenda:

Do you by chance have a pdf doc which shows the site location and boundary extent for Pineview.....something I could forward to an aerial vendor so they can determine costs and extent of coverage? If so, could you please forward to me. Thanks, A
